

### Guest Testimonials from Weddings & Banquets

"I just cannot say enough about how wonderful Sara Ferkul was during our wedding. She just became like one of us and was so easy to work with. I know that she and her staff went the extra mile to help us out. (or at least that's how they made us feel!) Our wedding and reception will forever be such a special day due to all their hard work. Thank you all so much!!

"The food quality and quantity was wonderful, we had many comments made to us from our guests about how it was the best buffet let alone the best wedding dinner they had had in a long time. Also the speed at which you got everyone through the line was excellent. With the amount of guests we had nobody went hungry or had to wait long to get food.

The decorating was exactly what I had imagined it was simple yet elegant and went perfect with the season, and the wedding. We couldn't say anything but good about the set up for the ceremony out side, it was a perfect backdrop with the fall colors on the ski hill, again we had many comments from our guests how beautiful it was."

"Thank you for all of your work in planning and pulling together everything for our special day. We really appreciate your attention to detail. The food was great, and we were very happy with the set-up of the facility. It was beautifully decorated! Many of the guests commented on how much fun they had and how nice of a place it was. Thanks again!"

"Dave and I want to thank both of you for helping us pull off our absolute perfect wedding. Everything was just as I had envisioned it - beautiful, beautiful, beautiful!!! Giant's Ridge was a joy to work with, and I will definitely recommend you to anybody!! Thank you for your flexibility and allowing us to do the ceremony on the 11th hole. The setting was just gorgeous!! I received so many compliments on how it was the most unique and beautiful wedding people had attended. I can't thank you enough for all of your hard work on the decorating/catering. I just gasped at how beautifully decorated the chalet turned out to be. Our families have shared many of the things they heard from the guests, but two stand out that I think you should know. One of my mother-in-law's friends told her it was a wedding she would have thought Oprah put on (wow- what we could have done with that kind of money! Also, a friend of the family's who has lived most of her life in New York, said of all the weddings she has been to (many of which took place in the Hamptons); this was the most elegant, beautiful and fun wedding she has attended. And, trust me, coming from her, that's a huge compliment. So, thank-you, thank-you, thank-you!! Giant's Ridge has always been one of our favorite places, and it meant so much to us to have our wedding there. Now, it is even a more special place!"
