Station #5: Greely’s Way Carpet/ Learning to Turn - (Greely’s Way Carpet off to the left)

- Blue and Red Turn dots; brush the right tail of the ski towards the red dot (right ski) – look toward the upcoming blue dot, brush the tail of the ski towards the blue dot (left ski) – repeat through the course then come to a complete stop between the two dots at the bottom.

“Test” Station/St. Moritz Carpet (exit right off carpet)

Able to do complete turns through the Blue and Red Stubby course, keep speed in control; come to a complete stop at the end by the instructor.

To help your day at Giants Ridge run smoothly, please see a few helpful hints below;

- There will be one Chaperone at each of the 5 Stations.
- A school Chaperone needs to be at the “TEST” Station to hand out the RFID Tickets.
- Students will be encouraged to pass through all 5 Stations before they break for lunch
- Giants Ridge instructors will remain at the Stations for 2 hours, teaching times starts when first student leaves the rental area.
